Mississippi Advance Healthcare Directive

Explanation

You have the right to give instructions about your own healthcare. You also have the right to name someone else to make healthcare decisions for you. This form lets you do either or both of these things. It also lets you express your wishes regarding the designation of your primary physician. If you use this form, you may complete or modify all or any part of it. You are free to use a different form.

Part 1 of this form is a power of attorney for healthcare. Part 1 lets you name another individual as agent to make healthcare decisions for you if you become incapable of making your own decisions or if you want someone else to make those decisions for you now even though you are still capable. You may name an alternate agent to act for you if your first choice is not willing, able or reasonably available to make decisions for you. Unless related to you, your agent may not be an owner, operator, or employee of a residential long-term healthcare institution at which you are receiving care.

Unless the form you sign limits the authority of your agent, your agent may make all healthcare decisions for you. This form has a place for you to limit the authority of your agent. You need not limit the authority of your agent if you wish to rely on your agent for all healthcare decisions that may have to be made. If you choose not to limit the authority of your agent, your agent will have the right to:

- (a) Consent or refuse consent to any care, treatment, service, or procedure to maintain, diagnose, or otherwise affect a physical or mental condition;
- (b) Select or discharge healthcare providers and institutions;
- (c) Approve or disapprove diagnostic tests, surgical procedures, programs of medication, and orders not to resuscitate; and
- (d) Direct the provision, withholding, or withdrawal of artificial nutrition and hydration and all other forms of healthcare.

Part 2 of this form lets you give specific instructions about any aspect of your healthcare. Choices are provided for you to express your wishes regarding the provision, withholding, or withdrawal of treatment to keep you alive, including the provision of artificial nutrition and hydration, as well as the provision of pain relief. Space is provided for you to add to the choices you have made or for you to write out any additional wishes.

Part 3 of this form lets you designate a physician to have primary responsibility for your healthcare.

After completing this form, sign and date the form at the end and have the form witnessed by one of the two alternative methods listed below. Give a copy of the signed and completed form to your physician, to any other healthcare providers you may have, to any healthcare institution at which you are receiving care, and to any healthcare agents you have named. You should talk to the person you have named as agent to make sure that he or she understands your wishes and is willing to take the responsibility.

You have the right to revoke this advance healthcare directive or replace this form at any time.

(8) RELIEF FROM PAIN: Except as I state in the following space, I direct that treatment for alleviation of pain or discomfort be provided at all times, even if it hastens my death:
